GRAVESEND AND NORTHFLEET FC WIN WITH AB!

Ashton Burkinshaw's Gravesend office, the town's leading residential property letting and management agent, is delighted to have its name on show at the grounds of Gravesend and Northfleet Football Club, a Nationwide Conference League team.

In return for supporting the club through advertising in the club's match programme, Gravesend and Northfleet FC have allowed Ashton Burkinshaw to display its banner outside the club's public bar area, ensuring maximum publicity on match days.

The club is doing very well in the Conference League, recently appearing on Sky television and obtaining coverage in the sport's section of the national newspapers.

Ashton Burkinshaw Gravesend branch was officially opened last June by Brian Kilcullen, former Chairman and major shareholder of Gravesend and Northfleet Football Club. Brian is all too familiar with renting property in Gravesend being an Ashton Burkinshaw tenant himself!

Ashton Burkinshaw offer specialist letting services to both landlords and tenants on a very personal basis. The company has branches in Chatham, Chislehurst, Crowborough, Gravesend, Haywards Heath, Lewes, Maidstone, Sevenoaks, Swanley, Tenterden, Tonbridge, Tunbridge Wells and Wadhurst and offers a polite, friendly service with good local knowledge.
